SUBJECT: Letters to Minister Zenkl

TO: Heidelberg "KROHBY"
ATTN: []

REFERENCE: MON-A-143

1. The letters attached to reference dispatch have been duly delivered to [] []. We are taking steps to find out in the near future what, if anything, he has decided to do about them.

2. I note from these letters that [] [] has been unable to make connections with the British although his compatriots seem to have succeeded. If you feel this man has any operational value to this organization, other than his possession of an airplane and his ability to fly it, we should be happy to have your recommendations. We do not wish, however, to keep him on our hands solely on a retainer basis.

3. If Zenkl can arrange safe haven for this man, we will advise you.
